There are many stories told about the little cars we see on our highway today. Maybe somebody will collect these stories and issue a big joke book. My friend Joe always boasts about how economical they are to run. "You can't run out of gas. I carry an extra supply, good for two hundred miles, in the baby's milk bottle."

And Frank, who drives a truck always tells this story "So there I am on the highway. I feel a slight bump. I go a few feet and then I stop. What did I hit? I look around and see nothing at all. Then I get a bright idea I go down on my knees and look under my truck. It must be there. So I shout, 'Come out, come out little car, wherever you are.' Anyway I jack up my truck and free that little car. Fortunately nobody was hurt."

Sam tells this one about his little car. "I was driving across the toll bridge. The wind was doing 90 mph Suddenly it lifts my car up into the air. And next thing I knew, I was on the other side deposited safely on the highway. I am going on my way when I hear a siren. A police car signals to me to pull up. And then the officer tells me what's wrong. I still owe 50 cents toll. So I pay it to him and he gives me a receipt. I didn't try to cheat, that he knew."

But the one I like the best is the one the traffic officer told me. He saw a new little car pull up. The old lady got out and lifted the hood. Then she screamed, "Help! Help! Police! Somebody stole my engine." She didn't know it was in the back.

Smart Shan

The Duke of Shan was a most remarkable man and ruler. Bear in mind he reigned four centuries B.C. Yet some of his ideas were very modern. He did everything to encourage the arts and sciences. He actually had a garbage collection service. If the area in front of your house was dirty, you were fined. He did not have a conscript army. He paid his soldiers a good salary. And when they were away fighting, the family of each soldier received an allowance of rice.

Yet they say he was frugal in some respects. His agile mind was always busy figuring out how something could be done cheaper. Once a year they held a banquet to which the rulers of other provinces were invited. Plans were being made for this great occasion. Lee Yung, one of his advisors came to him.

"I have with me Tien Chi, the great sculptor. He will make a wonderful life like statue of yourself. It will be brought in before the feast begins. All rulers can gaze at it for five minutes."

"But this will cost me much gold," sighed the Duke of Shan. "Just to exhibit my statue for five minutes. I think I have a much better idea. And it will not even cost one gold coin."

"You mean you can make a statue of yourself?" questioned Tien Chi. "I did not know you could also sculpture."

"Watch me," grined the Duke of Shan. "For five minutes I shall stand erect and still like a statue. And for free!"

The Watch

Hiram Olson was an old bachelor farmer. He lived by himself on his small farm. He was friendly and participated in town affairs. Then one day the entire town got a big surprise. They were now famous.

"Hiram wrote a book about farm life," said Mayor Johnson to the small city council. "It is on the best seller list. Got a big write-up."

And then Hollywood decided to make a picture based on the book. So they made Hiram a big offer to come to Hollywood for three months. He agreed-but he wanted to take some of his possessions with him. And bring them back. His friends helped him to pack.

"I must have the grandfather clock. Belonged to my grandfather and to his grandfather," said Hiram to George Murphy. "I take it with me. I bring it back."

"Heavy to move. We got to take it down the road to the truck," was the reply. "Why not leave it here? Until you get back. Nobody will steal it."

"I need a watch to tell time," was the explanation "Now we take a break for lunch. Then back to the moving."

George Murphy got the other men to the side. Spoke to them. They agreed. He drove back to town and returned with a package which he gave to Hiram.

"To show we like you. Also for us not to move that grandfather clock. So accept this 17 jewel watch as a gift. Easy to handle. And you take it with you and bring it back. We'll watch the other clock for you."

RINSES AWAY BLACKHEADS
HELPS DRY UP ACNE PIMPLES

...s or Your Money Back!

Queen Helene Mint Julep Masque 15 Minute Treatment

Must Show Immediate Improvement or — YOUR MONEY BACK!

A New York Doctor, working with a cosmetic laboratory, has developed a simple home-treatment that rinses away blackheads in a matter of minutes. It was demonstrated recently on five teen-age girls and three boys.

The results were breath-taking. Blackheads really rinsed away. In fact, many could be seen on the cloth used to wash off the Masque. But this wasn't all! Acne-pimples improved after one application, enlarged pores reduced, and rough, complexions became cleaner, clearer and smoother looking. These results certainly indicate why teen-agers are now saying "this is one product that really works" and why mothers of teen agers have endorsed its use

The Masque-Cream Treatment is indeed a remarkable discovery not only for clear healthy skins, but also for the self-confidence, poise and self-esteem a fine complexion brings to teen-agers!

Anyone Can Use It

If you suffer the agony of teen-age blackheads, acne-pimples and rough unsightly complexions, give yourself this home treatment at our risk. Apply this delightfully Mint-Scented Cream and within 2 or 3 minutes an absorbing agent, called Argilla, dries and turns this cream into a plastic-like masque. You will now feel as though hundreds of "tiny fingers" were softly kneading the skin, loosening pore-caked dirt, blackheads and foreign impurities.

As it firms and hardens, its suction-action draws out waste matter from the pores . . . In 15 minutes you simply rinse the masque away with lukewarm water which dissolves it immediately. When you wipe your face, you can see that blackheads and other pore "filler" actually come off on your towel. And your skin feels clean . . . really clean . . . refreshed, smooth like velvet!

Start Now
Improve Your Complexion

Don't take a back seat or be a wall-flower because of bad skin. If you want to get your full share of fun and parties . . . clear up your complexion and let Mint Julep Masque "Lead the Way"! You certainly owe it to yourself to try a single fifteen minute home treatment to convince yourself that this new Queen Helene masque-cream can work wonders for you.

Attention!
MOTHERS of Teen-Agers

Queen Helene Mint Julep Masque is a MUST for you, too! It will help tighten sagging skin on face and throat, relax tired face muscles and stimulate a fresher, cleaner, more youthful complexion. Try a medicated Mint Julep Masque Treatment YOURSELF. You'll be delighted with the skin-tightening experience and more alive feeling that comes with every treatment.

Queen Helene Mint Masque is only $3.00 for the six ounce jar, enough for over 3 months of daily home treatments. Buy it today! Start using it immediately! Prove it to yourself at our risk, for one full month. If, at any time during the month, you are not completely satisfied, simply return the unused portion and you will get back every penny of your purchase price.

Losing His Or Her Hair

If you are troubled by thinning hair, dandruff, itchy scalp, if you fear approaching baldness, read the rest of this statement carefully. It may mean the difference to you between saving your hair and losing the rest of it to eventual baldness.

Baldness is simply a matter of subtraction. When the number of new hairs fail to equal the number of falling hair, you end up minus your head of hair (bald). Why not avoid baldness by preventing unnecessary loss of hair? Why not turn the tide of battle on your head by eliminating needless causes of hair loss and give Nature a chance to grow more hair for you? Many of the country's dermatologists and other foremost hair and scalp specialists believe that seborrhea, a common scalp disorder, causes hair loss. What is seborrhea? It is a bacterial infection of the scalp that can eventually cause permanent damage to the hair follicles. Its visible evidence is "thinning" hair. Its end result is baldness. Its symptoms are dry, itchy scalp, dandruff, oily hair, head scales, and progressive hair loss.

So, if you are beginning to notice that your forehead is getting larger, beginning to notice that there is too much hair on your comb, beginning to be worried about the dryness of your hair, the itchyness of your scalp, the ugly dandruff — **these are Nature's Red Flags** warning you of impending baldness. Even if you have been losing your hair for some time, don't let seborrhea rob you of the rest of your hair.

HOW COMATE WORKS ON YOUR SCALP

The development of an amazing new hair and scalp medicine called Comate is specifically designed to control seborrhea and stop the hair loss it causes. It offers the opportunity to thousands of men and women losing their hair to bacterial infection to reverse the battle they are now losing on their scalps. By stopping this impediment to normal hair growth, new hairs can grow as Nature intended.

This is how Comate works: (1) It combines in a single scalp treatment the essential corrective factors for normal hair growth. By its rubifacient action it stimulates blood circulation to the scalp, thereby supplying more nutrition to still-alive hair follicles. (2) As a highly effective antiseptic, Comate kills on contact the seborrhea-causing scalp bacteria believed to be a cause of baldness. (3) By its keratolitic action it dissolves ugly dandruff. By tending to normalize the lubrication of the hair shaft it corrects excessively dry and oily hair. It eliminates head scales and scalp itch.

In short, Comate offers you in a single treatment the best that modern medicine has developed for the preservation of your hair. There is no excuse today except ignorance for any man or woman to neglect seborrhea and pay the penalty of hair loss.

COMATE IS UNCONDITIONALLY GUARANTEED

To you we offer this UNCONDITIONAL GUARANTEE. Treat your scalp to Comate in your own home, following the simple directions. See for yourself in your own mirror how after a few treatments, Comate makes your hair look thicker and alive. How Comate ends your dandruff, stops your scalp itch. How Comate gives your hair a chance to grow. Most men and women report results after the first treatment, some take longer. But we say this to you. If, for any reason, you are not completely satisfied with the improvement in your own case — AT ANY TIME — return the unused portion for a prompt refund. No questions asked.

But don't delay. For the sake of your hair, order Comate today. Nothing — not even Comate — can grow hair from dead follicles. Fill out the coupon now, and take the first step toward a good head of hair again.

Male pattern baldness is the cause of the great majority of cases of baldness and excessive hair loss. In such cases neither the Comate treatment nor any other treatment is effective.

Note To Doctors
Doctors, clinics and hospitals interested in scalp disorders can obtain professional samples and literature on written request.
